# ALICIA DUBOIS

## *ABOUT ME*

As an artist at heart, I specialize in the artistic direction, visual identity, and hair & makeup for musical artists and agencies. One of the highlights of my career is my current role as the hair & makeup art director for Mosaert, Stromae's company.

Over the years, I have helped the Belgian artist express his personality and mindset through creative teamwork, unique hairstyles and makeup looks. In addition to my work with Mosaert, I am a seasoned hair & makeup trainer for renowned brands. Bringing people together with vibrant creativity is my passion in this field, and I have been fortunate to collaborate with amazing people along the way.

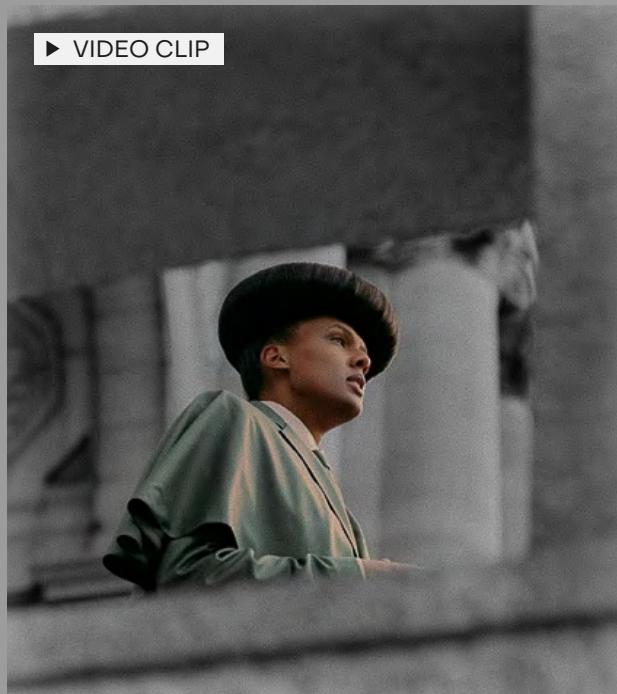

I am always open to new ideas and love exploring bold artistic avenues, whether for clients or for my own projects.
